All the articles listed in this catalog are manufactured in
our own factory.

PROMPT SHIPMENTS

With a complete stock at all times we can fill your orders.

SPECIAL SHAPES

We have a well equipped tool department and experienced toolmakers, and shall be pleased to quote on quantity orders for special shapes.

WHITEMETAL

Whitemetal is a tough, pliable composition that will not rust. It is easily drilled, and can be bent to any shape.

LENGTHS

All stock lengths are 13 feet excepting where other lengths are expressly mentioned. Orders for 1000 feet or more will be shipped in any lengths specified, 6 feet or longer, with no charge for cutting or waste. Smaller orders will be filled in any lengths specified with the cost of cutting and waste included in the invoice.

BOXING AND BUNDLING

Cost of boxing and bundling charged on orders totaling less than 1,000 feet.
